February 13, 2026

Dear Parents,

I hope this message finds you well. We are excited to announce that enrollment for the 2026 - 2027 school year is now open for current families. We look forward to another year of faith-filled learning, academic excellence, and continued growth within our school community.

Please find attached the 2026 - 2027 Rates and Fees as well as the 2026 - 2027 School Calendar for your review. We encourage families to complete enrollment early to assist us in planning staffing, programming, and classroom resources for the upcoming year.

Families are encouraged to explore financial assistance opportunities. The ACE Scholarship application is attached for your review, and we strongly encourage eligible families to apply. In addition, our in-house school scholarship program is available to assist families who may need additional financial support. If you have questions about either option, please contact the office for guidance through the application process.

We are also proud to share that St. Mary's recently adopted a new mission statement, reaffirming our commitment to faith, academic excellence, and service. This updated mission reflects who we are as a Catholic school community and the direction we are moving as we continue strengthening both our spiritual formation and educational programs. *To inspire students to become saints and scholars through a strong Catholic foundation of service to others, academic excellence, and faith rooted in the life of Jesus Christ.* Our mission will continue to guide every decision we make. We are grateful for your continued partnership and support.

If you know of families who may be interested in joining our school community, please encourage them to contact the office to schedule a tour or learn more about enrollment opportunities.

Thank you for being an essential part of our school family. Should you have any questions regarding enrollment, tuition, or the upcoming school year, please do not hesitate to reach out.

Sincerely,

Christina Williamson
Principal
