

COMING SOON!

SUN BUCKS

With SUN Bucks, eligible school-aged children can get \$120 to buy more of their favorite foods, from fresh fruits and vegetables to pantry staples, to support delicious and healthy meals at home this summer.

Who may be eligible?

Children eligible for free and reduced-price meals may also be eligible for SUN Bucks.

How do I apply?

MOST children will NOT need to apply. Your child may be automatically enrolled through an existing free and reduced-price meal application or participation in the SNAP, POWER, Kid Care CHIP, or Medicaid programs. A SUN Bucks card will be mailed to you – one per eligible child.

How does the SUN Bucks card work?

The SUN Bucks card works like a debit card. You can use SUN Bucks at any authorized SNAP retailer, including online retailers.

When will my card arrive?

We do not have an exact timeline as we work diligently toward program launch. Scan the QR code below to visit our web page, sign-up for newsletter updates, and be the first to know when cards are mailed and applications open!
